The Montessori
Learning Centre

**My grandfather once told me
there were two kinds of people;
those who do the work and
those who take the credit.
He told me to be in the first group;
there was much less competition.**

Without doubt the staff of M.L.C fall in the first group, They enjoy what they do and are eagerly waiting to see the children.

The selfless energy they put in reminds me of what Loise Nyse said in one of the chicken soups

“The measure of love is not how much that child loves me but rather how much I dare to love that child.”

We would go to any length for ‘OUR’ children We all ‘DARE’ to love each child unconditionally.

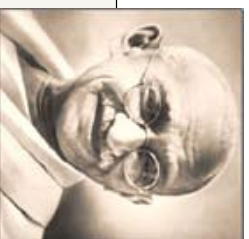

All of you must have noticed our grounds being dug up.....
unfortunately we needed to do it up during the rainy season
for the grass.....
we apologise
in advance as you will have "muddy" children coming home !!
Its Your chance to prove which washing powder is best !!

Our Theme Famous People really brings a lot of excitement amongst our teachers.

We also look forward to receiving any books..... materials that will help us enhance the learning of our Children.

Any parent wishing to use part of the board in the shed to portray a "famous Person" please liaise with your childs class teacher to do so.
